## ABOUT KEY-LINK FENCING & RAILING

Key-Link is a leading manufacturer of quality aluminum fencing and railing for both residential and commercial projects. Key-Link is an affiliate company of Superior Plastic Products.

## MODERN & CONTEMPORARY ALUMINUM

Thank you for your interest in Key-Link Fencing & Railing. Key-Link features many unique and appealing styles to choose from in today's most popular colors and textures. You'll see why Key-Link is the preferred choice for both Builders and Homeowners alike.

In addition to aluminum being lightweight and easy to work with, it's also very strong and durable; yet provides a very distinctive appearance to your setting. From securing your deck, porch or balcony to containment around your business, yard or pool, Key-Link is sure to have the solution perfect to meet your needs. ## POWDER COATING

*Key-Link's AAMA 2604 & 2605 Powder Coated Aluminum Products Offers One Of The Most Economical, Longest-Lasting, & Color-Durable Quality Finishes On The Market Today.*

- Economical, Durable & Long Lasting Decorative Finish
- Resistant to Chipping, Scratching, Fading & Wearing
- Increases Life of Product • Protects from Harsh Elements
- No Toxic Chemicals Released During Process
- Colors Stay Bright & Vibrant • Environmentally Friendly
- Reduced Energy Requirements • Uniformity Control

### **STANDARD AAMA 2604:**

AAMA 2604 powder coatings are formulated with super durable or modified polyester resins. This finish provides good color and gloss retention for years of exposure.

### **OPTIONAL AAMA 2605:**

AAMA 2605 is the high-performance exterior specification. These finishes are resistant to moisture, weathering, ozone and UV radiation. An application for this finish would include architectural projects that require long term cosmetic & functional protection for years to come.
